JON M. HALL COMPANY

APRIL 2008

## “The Sweet Smell of Spring”

Spring has sprung and so have some nice new projects. We are off into the second quarter with some good promising work. To date we have around \$15 million in backlog of work to be completed between our Longwood and Ormond office. With this work we still have to make sure that we are constantly thinking of ways to improve our efficiency and production in order to meet the higher demands that our new projects will bring us. Here is a list of upcoming projects that we plan to start or have already started in the second quarter:

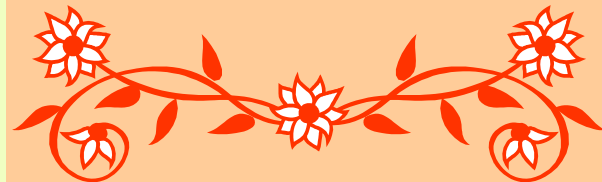

Hurst Elementary	\$2.2 Million
P.C. Parkway Plaza	\$2.8 Million
Root Commerce Center	\$350,000
Gardens Plaza	\$210,000
Leaseco Storage Facility	\$2.4 Million
Restart of East Park	Remainder of contract
Maitland Summit Office Park	\$1.4 Million
Goodwill	\$700,000
Crossings at Forest City	\$400,000

This year is going to be a good strong one and it can only be successful if everyone works together as a team. The management team is here for your support and to help with your success. Thanks again to everyone for your hard work.

Our Employee of the Month for March has been awarded to Debbie Terrill. Hired as an End Dump Driver in August 2007 Debbie quickly showed our team members she could operate a wide variety of equipment and do it well. Whether it's driving-Dump Trucks or Loaders or shoveling curb there's no there's no job she won't do. Thank you Debbie for your dependability and great work on the job sites.

## Manager of the Quarter

Jon M. Hall Company's Manager for the first quarter of 2008 goes to Harvey Armstrong. Harvey is our Chief Estimator in the office. Harvey faithfully maintains our \$150 million-\$170 million bid backlog, is a vital part of our marketing team, and manages our estimating division. The high demands placed on him on a daily basis never deter him from sharing a teaching moment.
